ALPHA LIMIT COMPANY
TRADING AND CONTRACTING

ABOUT US

Established by Dr.Saad Bin Ibrahim Bin Alageel , Alpha Limit Company is the distributor in the Middle East for electrical construction material & supplies. We offer a wide range of electrical, industrial, instrumentation and automation products from many of the world's leading manufacturers. Leveraging the global strength to build a competitive advantage to our customers.

Depending on our active Sales team and experienced Technical support team, we fully support our clients since the bidding stage and till the handover process. And continue to share the success with our clients in the after-sale services

At Alpha we continue to represent internationally well-known brands, many since the early days of our establishment. We have developed an ongoing program, which aims to expand our brand portfolio and products range, innovative and competitive solution.

Our range of industry solutions conform to both US (ANSI | NEMA | NEC) and European IEC specifications.

Dr.Saad Bin Ibrahim Bin Alageel

OUR MISSION

Being the preferred Choice of the Regional Supplier in our targeted markets, by building a strong relationship with our customers and suppliers. We create superior value for our stakeholders by working as a team to efficiently buy, sell and deliver our products to the Construction and Industrial markets.

OUR VISION

Be a league top player distribution company of Electrical, Industrial, Instrumentation, and Automation products & solutions, to the Construction and industrial markets in GCC.

UNINTERRUPTIBLE POWER SUPPLY (UPS) & DC SYSTEMS

- › Line interactive Commercial UPS
- › Industrial UPS
- › Modular UPS
- › Hybrid UPS
- › SLA, VRLA batteries
- › Static transfer switches
- › Static voltage regulators
- › Automatic voltage regulators
- › Frequency converters
- › Inverters
- › DC Chargers
- › Solar products

DISTRIBUTION EQUIPMENT & POWER PROTECTION

- » Ring Main Unit
- » LV & MV Switchgear
- » Automatic Transfer Switch
- » LV Distribution Boards
- » Relays & Contactors
- » Unit & Package Substations
- » Fuses
- » Air Circuit Breakers
- » Vacuum & SF6 Circuit Breakers
- » Safety Switches
- » Capacitor Banks
- » AC and DC Panels

SIEMENS

FEDERAL

EARTHING & LIGHTENING PROTECTION SYSTEM

- » Earth Bars
- » Earth Rods
- » Earth Rod Clamps
- » Earthing Plates
- » Mats
- » Inspection Pits
- » Air Terminals
- » Copper Tape with Accessories
- » Cables
- » Puddle Seal Flanges
- » Early Streamer Emission Devices
- » Surge Protection Devices
- » Exothermic Welding

KINGSMILL
INDUSTRIES (UK) LTD

POWER TRANSFORMERS

- » Dry Type cast resin Transformer
- » Oil Type Transformer
- » Auto Transformer
- » Isolation Transformer
- » Harmonic Mitigating Transformer

LV & MV POWER CABLE ACCESSORIES

- » Joints & Terminations
- » Cable Lugs
- » Cable Ties
- » Cable Glands

Raychem®

APL

YAMUNA DENSON

METAL PRODUCTS

- » EMT Pipes & Flexibles
- » Cable Trays & Ladders
- » Cable Runway
- » Cable Truncking
- » Aluminum Cable Channels
- » Undergrouend Ducts
- » Electrical Tower
- » Communication Tower
- » Radar Tower

MEASURING DEVICES

- » Ammeters
- » Voltmeters
- » Multifunction Meters
- » Current Transformers
- » Current Shunts
- » Analog Panel Meters
- » kWh Energy Meters
- » Transducers & Isolators
- » Digital Panel Meters
- » Converters and Recorders
- » Temperature Controllers
- » Digital Multimeters
- » Protection Relays
- » LED Indicators
- » Ground Resistance Tester

Megger.

LIGHTING FIXTURES & SMART BUILDING AUTOMATION SYSTEM:

- » Outdoor and Landscap Lighting
- » Solar Lighting
- » Street Lighting
- » LED Lighting Fixtures
- » Lamps
- » Lighting Switches
- » Lighting Control System
- » Smart Buildig Automation System
- » Socket Outlets
- » Pop-up Sockets
- » Floor Boxes

PHYSICAL SECURITY SYSTEMS:

- » Road Blockers
- » Arm Barriers
- » Steel Bollards
- » Turnstiles
- » Tire Killers
- » Gates
- » Fencing System

optima®

INSTALLATION AND TESTING SERVICES:

- » Cable laying, installation termination and splicing
- » Electrical equipment installation
- » Heat, cold shrink or pre-mould Elbows terminations
- » Primary/secondary Voltage distribution
- » Earthing & Lightning Protection System Installation and Testing
- » UPS & DC Systems Installation
- » Smart Building Automation system Installation.
- » Security Systems Installation
- » Electrical Testing
